Signature Arrangements

One thing that sets **The Evening Beat** apart is our collection of original, custom-crafted arrangements. Rather than simply reproducing familiar songs, we reinterpret them with fresh horn arrangements, jazz influences, Latin rhythms, and vintage-inspired grooves to create performances guests won't hear anywhere else.

Featured signature arrangements include:

Levitating (*Dua Lipa*) — Reimagined as an elegant rolling samba.
Finesse (*Bruno Mars*) — A hard-swing, horn-driven showpiece.
Let's Dance (*David Bowie*) — A musical journey through iconic dance styles.
(I Can't Get No) Satisfaction (*The Rolling Stones*) — Inspired by Benny Goodman's *Sing, Sing, Sing*.

Don't see your favorite?

Our Featured Repertoire is just a sampling of the hundreds of songs we perform.

Our music library spans hundreds of selections across jazz, swing, Motown, soul, pop, holiday favorites, and custom arrangements.

If you have a special request, we'd love to create the perfect soundtrack for your event.

A Little Note About the Music...

Think of our Featured Repertoire as the menu—not necessarily the order you'll hear it. Every event has its own rhythm, and one of the things we love most is reading the room and choosing the perfect song for the perfect moment. Sometimes that means easing into the evening with timeless standards. Other times, it means realizing your guests are ready to fill the dance floor a little earlier than expected.

We'd love for you to share up to four must-play songs (whether they're on our list or not), along with up to four do-not-play songs.

After that, leave the rest to us.

You hired a live band—not a shuffle playlist—and creating the perfect soundtrack for the moment is what we love to do.
